

## Sunday Message 08 March 2015

### **Message by Sister Penelope Ngwane**

**Message: LONGING FOR GOD, DESIRING GOD, PURSUING AFTER HIM.**

**1 Timothy 6 vs 11 - Isaiah 51 vs 1- 3 Psalms 84 vs 2 Psalms 63 vs 8**

How does this happen: when a person gives his/her life, attend so many services, read so many books and still have not find what they are looking for? What is it that went wrong?

Pursuing God, It doesn't mean that He has left us; we have Him at all times in our lives. It simply means to go deeper, to seek Him more, becoming more intimate with Him. In short to go and remain righteousness and never have doubt in God.

When you want God in your life you have to first be converted to His image, and not try to reduce Him to be your size. When you are deeply in God, every area of your spiritual life grows. And the more that happens the more you are drowning closer to Him.

David was always pursuing God that is why he became a man after God's heart. It all starts in and with the heart. Everything else that is happening in and around our lives must not make us weary and make us loose our focus; in fact it should make us run more after God. To pursue God is not from us naturally but really from God and it is a must.

Then we look at Abraham, he was also a man listening, pursuing after God and also listening to God all the time. He was not shaken or more concern about all that was happening physically in his life, he had faith and knew how true the word of God is. It doesn't matter what is happening around your life just pursue after Him all it will come to pass. Following His principles and nature of God will keep you. You need to forsake your ways and follow God.

There are ways of pursuing after God. You must only put your life under God's word. You only grow and overcome by the word of God. It trims you to be conscious, victorious in battles, and to stand still in all that is happening and coming. Only the word of God must be our weapon, desire the word more than your usual food. Don't do or conclude anything without the word of God.

Then after you have done that which is feeding on the word, you will have confidence and remain standing in every trial, nothing will shake you. You will never worry and your trust will be only in God. Put your mind in God and His word; remember your purpose to dominate which is what you are given by God.

It is time to focus only on Him and His word. All that is governing our lives. Let us remember.....He will never leave nor forsake us. His word and promises are true...

### Quote of the Week

It is good to make godly resolutions, and these steps will help you to keep on the right road with God through the year.

**RELATIONSHIP:** Reaffirm your relationship with God. He has shown you, O mortal, what is good. And what does the Lord require of you? To act justly and to love mercy and to walk humbly with your God...Micah 6 vs 8

### Prayer of the week

Father in the name of Jesus, You are the saviour and Your name still Greater than any name.

Teach and remind me today who am I in you, remind me oh Lord to look deeply into my life and give me strength and courage to do things right again with You, remembering my first Love I had for You.

Give me strength and speed of a horse to pursue and run after You more than anything. Let me thirst for You more than anything in my daily life. Raise up in my life in the name of Jesus'Christ.

I thank You for the restoration and for keeping me under Your Grace.....

In Jesus Name Amen!!

### Interesting Facts

Jesus said He was the [bread of life](#) and the living bread (6:35, 48,

### Special Announcements

We are approaching Pass over and the conference is coming

### Special Announcements

Week services will continue as normal

51). He was the light of the world (John 8:12).

Jesus was the good shepherd (John 10:11, 14). Jesus outright claimed to be the Son of God (John 10:36). He also liked to call himself the Son of man (Matthew 20:28). He said He was the way, the truth and the life (John 14:6).

arrangements to follow, and departments to meet and prepare in time.
